SKILLS

- HTML & CSS
- JavaScript
- PHP
- Java
- OOP
- JDBC
- MySQL
- Command Line
- Git

EDUCATION

SECONDARY SCHOOL

Liceul Teoretic "Nicolae Donici"
2016 - 2020

COLLEGE

Centrul de Excelență în Informatica și
Tehnologii Informaționale
2020 - 2024

LANGUAGE

Romanian
English
Russian

EXPERIENCE

FREELANCE

Moldova

11.2020 - 10.2021

Through my experience in client acquisition, I have gained valuable expertise in effectively communicating and understanding clients' needs.

WORDPRESS

Non-profit organization ACAM

10.2021 - 03.2022

I held a position responsible for managing and maintaining a WordPress website. This included implementing necessary changes and some routine tasks.

EXCEL

Fashion Dealer

06.2022 - 10.2022

Here I have developed proficiency in performing a variety of tasks in Excel. Whether it involves creating formulas or manipulating large datasets, I am adept at leveraging Excel to efficiently handle routine tasks.

MAIN PROJECT

STRIDE

STRIDE is my personal project that combines HTML, CSS and JavaScript to power an E-Commerce site to sell shoes. This site was designed, coded and posted on GitHub and Netlify by myself for my college degree.
