BUG REPORT

TITLE: Dummy text is not changed to actual text from the requirements in the registration section of the library module.

SUMMARY: In Library module of CEITI project when a user wants to register it will not see the actual Terms and Conditions because there is just a dummy text by default.

Browser:
Microsoft Edge
Version 118.0.2088.46 (Official build) (64-bit)

Current OS:
Edition: Windows 11 Pro
Version:22H2
Installed on: 2/27/2023
OS build: 22621.2428
Experience: Windows Feature Experience Pack 1000.22674.1000.0

STEPS TO REPRODUCE:
1. Go to https://ceiti.md/
2. Navigate through first navbar
3. Click on "eLibrary" element (the 3-rd one)
4. Enter the last "Register" element
5. Find and click on "I agree to the terms"
6. Observe the dummy text in pop-up window

Source URL: https://elibrary.ceiti.md/register

EXPECTED RESULT: The "Library" module should have the correct Terms and Conditions that correspond to 📄 Terms and Conditions file from requirements

ACTUAL RESULT: The text from "Terms and Conditions" pop-up window is useless because it is a dummy text

SEVERITY: Informative/Low Impact

PRIORITY: High
